#### 11. Expected dividends

#### <1> Basic Policy on Profit Sharing

We recognize that returning our profits to our shareholders is an important policy of management. Committed to a progressive dividend policy, we will pay a dividend that is stable and commensurate with business performance while improving our earning capacity and enhancing our financial structure. As a general rule, we will increase the dividend amount up to 20 yen per share every year, with the aim of gradually raising the dividend payout ratio to 40%.
